IES SESSION OVERVIEW

The purpose of the Industry Engagement Sessions is to provide a forum for ACC-Rock Island to disseminate information, exchange feedback, and build rapport with industry. Attendees will receive presentations on relevant topics, and then have the opportunity to engage key ACC-Rock Island personnel (Division Chiefs, key leadership, etc.) in an hour of Q&A discussion. This session will provide a DCAA Overview presentation and a LPTA versus Best Value panel discussion.

ADMINISTRATIVE INFORMATION

- Directions to the event, and a map are attached.
- All Industry Day participants must enter through the Moline Gate. Attendees will require to show the guard at the gate a valid state-issued ID. Please have a copy of the Industry Day Announcement and inform the Officer/Guard at the gate that you are here to attend the U.S. Army Contracting Command – Rock Island's Industry Day.
- We are expecting a high level of attendance at this event. Please allow plenty of time to process through gate. Parking is available. We suggest arriving approximately 30 minutes prior to the event.
- Please be advised that this event is being held on a military installation. Security/entry access measures are subject to change without advanced notice. Recommend arriving early to mitigate potential access delays.

- Coffee & ref nts and food available through the Moline Gate after 11:00 am. Security card required.
